7	\$0 to \$4633	\$4634 to \$6800	>\$6800
8	\$0 to \$4929	\$4930 to \$7242	>\$7242

Monthly Tuition

Classroom	A	B	C
Toddler	\$840	\$870	\$1000
Preschool	\$690	\$745	\$900

1. Find the row that states the number of individuals dependent on the gross monthly household income.
2. Find the column that matches your household's gross monthly income.
3. Locate the appropriate tuition scale (A, B, C) on this sheet to figure your monthly child care costs.
4. Income must be verified using one of the following: W-2, pay stub, or tax records and annually thereafter.

*Income guidelines obtained from 2015 Department of Housing and Urban Development (Alaska)
